Shore Regional School
Lunch Program
Managed by Sodexo

CrossRoads Café was developed by Sodexo keeping the High School Student in mind. This discerning age group wants variety, flavor, quality and excellent customer service. Your Sodexo Team is committed to meeting and exceeding our customer's expectations. Management meets periodically with members of the student body. Their input helps Sodexo keep current of trends and opinions of the Shore Regional Students. Parents are encouraged to contact the management team with any questions, comments, compliments, or concerns.

BREAKFAST IS SERVED

Did you know that people who eat a good breakfast are generally healthier? Commonly, breakfast eaters have lower cholesterol, lower blood pressure, and a healthier weight. Students who eat a good breakfast score higher on tests, have better attendance, and less discipline issues. Sodexo recognizes that breakfast is important to our children's academic and social success. High School students are known for sleeping late and skipping breakfast. Inexpensive, nutritious, and healthy options are available at school beginning at 7am. Come on in!

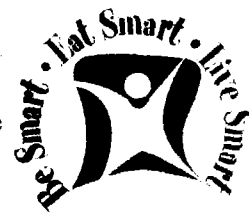

Did You Know?

- Our computerized cashiering system will soon offer a "pay on line" option for parents to make secure deposits to their child's account.
- Free/Reduced priced meals are available for all those who qualify. Applications are found in the school office. Applications are accepted throughout the school year. The Computerized Cashiering System protects anonymity.
- Your General Manager is ServeSafe Certified by the National Education Foundation, the industry's most recognized organization in the education of food service management.

Did You Know....

- ⇒ The Shore Regional School Board hired Sodexo to professionally manage your lunch program. Both Sodexo and the School Board want to provide a school lunch program that is nutritious, tasty, well liked and reasonably priced...why? A Hungry Child Can Not Learn.
