## What We Do

Our team of licensed clinicians provides crisis intervention for teenagers (ages 11-17) and their families who are experiencing the following issues:

- Parent/Child Conflict
- Truancy
- Behavioral Problems
- Educational Problems
- Safety Issues

After a referral is made to our program one of our clinicians will schedule an appointment to meet with the family in need.

During the intake, the clinician will complete an assessment to determine what programs are appropriate for the clients.

We provide case management services for 4-6 months as well as 16 weeks of intensive in-home counseling if needed.

## How to Make a Referral

Anyone can make a referral to our program;

- Family Members
- Teachers, Guidance Counselors, School Personnel
- Police
- Social Service Agencies, Social Workers and/or Therapists

**There is no fee for our services.** This is a Monmouth County Youth Services Commission funded program.
