SUBJECT: Human Papillomavirus (HPV)

In accordance with N.J.S.A. 18A:40-42, the New Jersey Department of Health and Senior Services has developed the attached educational fact sheets about the Human Papillomavirus (HPV). Attached are the two-page fact sheets, "HPV Vaccine Questions and Answers for Parents". The purpose of this memo and attachment is purely educational. Please read and contact myself or your child's medical care provider with any questions regarding this matter.

Thank you.
