Student Permit (Non-Numbered Spaces)

For office use only

Permit # _____

Date issued _____

Name _____ Drivers License No. _____

Address _____ Grade _____

Phone (home) _____ Date _____

STUDENT PARKING REGULATIONS *please read carefully*

1. Students are required to have a valid Shore Regional High School Student Parking Permit properly displayed in the vehicle (hung from the rear view mirror, writing faced forward) at all times when vehicle is on campus. Vehicles are to be operated by the registered driver only. This also includes siblings/relatives who must each be registered separately.
2. Permits are not to be swapped or shared. Students must immediately report lost, stolen, or misplaced parking permits. Altering or vandalizing parking permits will result in immediate loss of driving/parking privileges.
3. **There are no class-designated student parking areas.** Students must park in assigned student areas only (blue bar coded), as designated by the SRHS administration. In the event that all local campus blue bar coded parking becomes full, **students must immediately travel to Feeney Field and park in those assigned student areas.**
4. No student (during school hours) may at any time park in *visitor, staff*, or other areas designated non-parking for students such as areas without stall lines, on grass, in yellow zones, along curbs, areas designated for construction teams, etc.
5. **Students are required to adhere to the 10 mph speed limit**, obey all posted signs, and follow flow of traffic indicators when on campus. Students who likewise drive in an unsafe manner risk immediate suspension of driving/parking privileges as well as other disciplinary actions as deemed appropriate by school administration.
6. **In case of a motor vehicle accident, vandalism, or theft, a report of the incident must be filed with the Assistant Principal immediately. The Shore Regional High School Board of Education is not responsible for theft or damage to any vehicle operated/parked on school grounds.**
7. Vehicles operated by students must carry at least the minimum state-approved auto insurance.
8. Upon arrival to campus, students are required to leave their vehicles and the parking areas and proceed immediately into the building (this includes those who arrive well before the start of school). Once a student has arrived on campus (by any means) they cannot leave without permission.
9. Students are not allowed to go to their vehicles during normal school hours without obtaining prior approval of a SRHS administrator. **Approval may be granted to the registered driver only.**
10. Students are to be extremely observant for pedestrians, who ALWAYS HAVE THE RIGHT OF WAY on campus grounds.

11. During snow removal operations, the SRHS administration or grounds supervisor may designate NO PARKING areas at their discretion in order to facilitate snow removal.
12. The Board of Education has passed the following regulations concerning student parking:

“No student will be permitted to have a car on school property unless he/she has filed a written statement, signed by the owner and driver of the car, authorizing school authorities to search the car in the presence of the driver.”
13. Students having vehicles parked on campus grounds are subject to administrative actions such as vehicular search and are subject to disciplinary measures for violations of school policy (i.e. smoking, illegal substances, etc.).
14. Infractions of any of these parking rules and/or other school rules may result in either temporary or permanent revocation of a student’s parking privileges. Other disciplinary action, as deemed necessary by administrative authority, may also result.
15. Shore Regional High School has a Random Drug Testing Policy. All students wishing to operate and park a vehicle on campus must be registered in the Random Drug Testing (RDT) Pool. Failure to register for RDT will result in immediate revocation of driving/parking privileges.
16. Any illegally parked and/or unauthorized vehicle (i.e. unidentifiable, unregistered, uninsured, suspended permit, etc.) is subject to immediate towing at the owner’s expense.

A \$5.00 fee is required at issuance of your student permit.

I HEREBY AFFIRM THAT I HAVE READ THE ABOVE REGULATIONS, AND I AGREE TO COMPLY WITH THEM. I REALIZE THAT MY CAMPUS DRIVING/PARKING PRIVILEGES MAY BE SUSPENDED OR REVOKED AND MY VEHICLE MAY BE TOWED FOR VIOLATIONS OF THESE REGULATIONS.

Note – These regulations are subject to change in order to meet existing conditions.
