**Content: Welcome/General Information Letter - (Grade 9)**

August 2, 2021

Dear Students/Parents/Guardians,

We hope this letter finds you enjoying a safe and relaxing summer. As the 2021-22 School Year rapidly approaches, the Shore Regional High School Administration would like to make you aware of several important announcements.

In a continued effort to reduce cost and remain “green”, Shore Regional High School has made efforts to reduce our traditional “summer mailing” packet. Information for the 2021-2022 School Year, including all forms and notifications, can be found on our website at [www.shoreregional.org](http://www.shoreregional.org) under the “**Parent Info**” tab and heading “**Grade Level Forms and Info..**”

*If you cannot access the website, you can request a hard copy of this information by calling the main office at 732-222-9300 x 2020*

Enclosed in this mailing you will find your personalized **Parent Portal Letter**. The information in this letter will allow you to access all of your child’s information via our school’s Parent Portal. Please note that the Parent Portal, which includes student course schedules, will open on **Thursday, August 26**. Once you receive your child’s course schedule (via the Parent Portal), please review it. Please note the following:

- You should see a course title, teacher, room assignment, the meeting days and Block/period(s) of the course, and the marking period.
- **Check that your listed contact information (on the bottom of the schedule) is accurate.**
- In the event that you have any questions or concerns regarding your child’s schedule, please contact your counselor via e-mail. Please do not call the counseling office; **counselors will attend to conflicts in the order that they received (via e-mail)** and make every effort to accommodate requests.
- **Locker assignments** - for all grade levels will appear on the individual student schedules. For security reasons, do not change lockers or share combinations
- **Bus stop locations** - are included in the “**parent info.**” tab on the website under “**Bus Routes**”. Any questions relating to transportation please email Wendy Bonett: [wbonett@shoreregional.org](mailto:wbonett@shoreregional.org) or call extension **2360**

*Google Chromebooks and our one-to-one technology:*

Shore Regional High School is excited to continue our commitment to our students and faculty with our 1-to-1 technology program. By preparing our students with the knowledge and skills necessary to succeed in an evolving technological landscape, this program will enhance capabilities and collaboration relative to the education and workforce expectations of the 21st century.

We believe this program will continue to connect our faculty and students through collaborative applications both in and outside of our "traditional" classrooms and school building.

**New students and students who do not have up to date forms must submit (in person) a completed Acceptable Use Agreement (AUP) form and Insurance Policy/Waiver form. Please DO NOT mail these forms. Please submit them on the scheduled distribution day. AUP and Insurance forms have been included in this mailing and are also available (for downloading) on the SRHS website.**

**Grade 9** - If not already picked up, student Chromebooks will be distributed on **Thursday, August 19** during Freshman Orientation

**\*In order for a student to receive their Chromebook on August 19, they must submit the following:**

- A signed "Acceptable Use Agreement Form"
- An "Insurance Acceptance Payment" or "Waiver Form".

**\*\*If you choose to take insurance, a check in the amount of \$50 (made payable to Shore Regional High School) must be submitted at time of device disbursement.**

Please see the (enclosed) list of all important documents that can be found on our website. We are looking forward to seeing everyone at our orientation on Thursday, August 19:  
Students - at 9:00 A.M.; Parents/Guardians - at 6:00 P.M.

Enjoy the remainder of your summer,

Vincent G. DalliCardillo
