

Athletic Training Room Physical Space and Equipment Cleaning Standards

1. All exposed surfaces are cleaned with EPA registered anti-viral and anti-bacterial cleaners at the start and end of each day
2. Treatment surfaces are cleaned with appropriate anti-viral and anti-bacterial cleaners after use
3. The inside and outside of coolers are cleaned after each use/day they are used.
4. The outside of team med kits are cleaned upon return. Teams are responsible for discarding used items inside med kits.
5. Floors and other hard surface areas are cleaned at the end of each day with EPA registered disinfectant by school custodial staff.
