

Coaches Basketball Protocols

All coaches must report for temperature checks 15 minutes prior to the start of practice or pre-game warm-up.

- Coaches should be there at the beginning of the procedure to assist the Athletic Trainer and Athletic Department personnel.

All coaches must have the R-School Health Screen App complete prior to having a temperature check completed.

- The R-School Health Screen App must be completed everyday the coach has a practice or game.

Coaches are required to have a mask on at all times except the following:

- Demonstrating a drill during practice.

Coaches must monitor and enforce that all basketball players place any items on the first row of the bleachers on the hallway side of the gymnasium before practice.

- The coaching staff must make sure all materials are spaced apart by six feet.

Coaches must monitor and enforce that all student-athletes bring their own water bottles to all games and practices

- During water breaks, the coaching staff must make sure student-athletes are practicing social distancing.

No basketball players are allowed in the gymnasium without their specific coach. It is the coaches responsibility to keep student-athletes in the hallway, front cafe or designated area until their assigned practice or game time.

- Student-athletes and coaches must maintain six feet of distancing at all times in the hallway, front cafe or designated area.
- Student-athletes and coaches must always have a mask on in these areas.

The following must be enforced by all coaches:

For home games, student-athletes will only attend their games. They will not be permitted to watch the other games.

- Student-athletes must leave the facility after the completion of their game.
- Student-athletes should not come early to watch any games before their game.
- The only exception is a swing player who may dress for more then one level of competition. The coaching staff will try to limit this situation as much as possible.
