

Student-Athlete Basketball Protocols

All student-athletes must report for temperature checks 15 minutes prior to the start of practice or pre-game warm-up.

All student-athletes must have the R-School Health Screen App complete prior to having a temperature check completed.

- The R-School Health Screen App must be completed everyday the student-athlete has a practice or game.

Student-athletes are required to have a mask on at all times except the following:

- When warming-up before the game
- When entering/playing in the game
- When warming-up before the second half
- Players on the bench are required to have a mask on.

For practices, all basketball players are to place any items on the first row of the bleachers on the hallway side of the gymnasium.

- All materials should be spaced apart by six feet.

For games, all basketball players are to place any items at their chair.

- All chairs will be spaced six feet apart.

All student-athletes should bring their own water bottles to all games and practices

- All waterbottles should be labeled with students name.
- There will be a station to refill your personal water bottles.

All Basketball players must remain in the front cafeteria until led into practice by there coach.

- Student-athletes must maintain six feet of distancing at all times in the hallway.
- Student-athletes must always have a mask on in the hallway.

For home games, student-athletes will only attend there games. They will not be permitted to watch the other games.

- Student-athletes must leave the facility after the completion of their game.
- Student-athletes should not come early to watch any games before their game.
- The only exception is a swing player who may dress for more then one level of competition. The coaching staff will try to limit this situation as much as possible.
