## **IMPORTANT INFORMATION**

Parents/Guardians

Shore Regional High School will no longer provide a secondary medical insurance policy for injuries that occur during athletic events, activities, or practices. This decision is largely due to the excessive increase in the insurance premium for the secondary policy. Therefore, please note that any costs incurred due to an injury that occurs while participating in athletics at Shore Regional High School will be the financial responsibility of the parent/guardian of each student-athlete. Please contact the athletic office if you have any questions.

Thank you,

Harry S. Chebookjian III

**Students First**
