

Parent Athletic Advisory Committee General Guidelines

The newly formed Parent Athletic Advisory Committee (PAAC) will meet monthly from September to June. Each month an agenda will be provided. Parents will have the opportunity to add items to the agenda for discussion.

Could we please follow these guidelines:

1. All agenda items must be emailed to Mr. Chebookjian at least 24 hours before the meeting.
 - a. Please use “PAAC Agenda Item” in the subject line of the email.
 - b. My email is hchebookjian@shoreregional.org
2. This is not the forum to discuss specific questions about your student-athlete.
3. This is not the forum to discuss coaches, coaching philosophies, and/or coaching decisions.
4. Appropriate discussion items brought up at the meeting, that were not provided to the Director of Athletics at least 24 hours prior to the meeting to be placed on the agenda, will be tabled to the agenda of the next meeting.
5. All meetings will have a one hour maximum time limit.
6. The meetings are open to any parent/guardian of a current Shore Regional High School student-athlete.
 - a. This includes any of our parents of Student-Athletes from the Monmouth County Vocational Schools that participate in athletics for Shore Regional.
 - b. No student-athletes are permitted.
7. All discussions should be positive, and have the well being of our student-athletes as the main concern.
