

## **Spectators Visiting Shore Regional. What you need to know...**

### **Spectators:**

**As of Monday, January 4th, as per Governor Murphy's Executive Order, no spectators are allowed at any indoor, High School sporting events. If this executive order is lifted or eased, Shore Regional will follow the following protocols for spectators...**

All spectators must park in the cemetery side parking lot.

All spectators will enter through the last gymnasium door and sit in the bleacher immediately available to them.

All spectators must wear a mask at all times.

- There is no exception to this protocol.

All spectators must sit six feet apart in the stands at all times. The only exception are family members living in the same household.

No spectators will be allowed, at anytime, on the gymnasium floor or allowed to walk across the floor to the side where the teams are seated.

- There are no exceptions to this protocol.

The only bathroom available to spectators is the Porta-a-John located at the entrance. This bathroom is outside.

All spectators must exit the game **immediately** following the conclusion. If they are waiting for a student-athlete to give them a ride, they must wait in the parking lot.

- Even if they are attending another game, they must exit because of cleaning protocols.
