

ARTICULATION

In order to optimize student achievement of the Core Curriculum Content Standards, the Shore Regional High School Board of Education shall be responsible for the delivery of an educational program at the secondary level using a coherent sequence of activities to prepare all students for employment or postsecondary study upon their graduation.

The superintendent shall develop programs whereby teachers of the various levels of the district school cooperate to achieve smooth transitions from level to level; whereby the transition for district students from the sending elementary schools to our high school is accomplished without unnecessary difficulty for any student.

The board shall make reasonable efforts to develop articulation agreements with New Jersey colleges and universities to facilitate the delivery of college credit courses to qualified students in the high school.
