Legal Title

Legal title to the device is with the district and shall at all times remain with the district. The student is responsible at all times for the device's appropriate care and use. The device is specific to the school. If a student transfers to another district their device shall be returned upon leaving.

AUP AGREEMENT STUDENTS (form continued)*Liability*

Upon the successful completion of their senior year, students will have the option to “buy out” their Chromebook device (for one dollar) provided the following criteria have been met:

- Student has attended Shore Regional High School (uninterrupted) all 4 years*
- Student has maintained the Chromebook that they were originally assigned upon enrollment at SRHS.
- Student has successfully met all graduation requirements of Shore Regional High School.

If a student is required to return their Chromebook to Shore Regional High School, Chromebook, charger and case must be returned in working condition, not above normal wear and tear and “sticker free.” As stated in the handbook, any district-owned property that is damaged, misused or neglected is the responsibility of the parent/guardian/student.

Shore Regional reserves the right at any time to demand return of the device. Students remain responsible for the device until it has been verified to be in working order. Insurance policy and procedure implemented will be verified and in the event a student is uninsured or damages were due to neglect, loss or stolen, full replacement cost is the responsibility of the student/parent/guardian. (Please note: in the event of theft, an official police report will be required.)

Summer Liability

In order to extend the scope of our 1:1 initiative, SRHS will allow students the option of keeping their Chromebooks over the summer. This will allow students to take advantage of the many academic opportunities that will be available such as Summer Reading, AP/IB Summer coursework, and Math & Language Arts enrichment. Just like a textbook, these devices are the responsibility of the students. As with any district owned property (technological or otherwise), the Chromebooks should be handled with care regardless of where they are used. With this in mind, Shore Regional High School is implementing the following qualifications for summer Chromebook acceptance:

- If the Chromebook is insured through Shore Regional this existing insurance will continue to cover the device throughout the summer. HOWEVER “*Damage that occurs through neglect, misuse, or use outside the parameters of the AUP will be the responsibility of the student.*” Damage outside the parameters of the AUP includes, but is not limited to; water damage, sand damage, and damage caused by prolonged exposure to excessive heat.
- Student use of the device is still governed by the AUP Policy.
- Students who take part in any of the extended learning opportunities offered by Shore Regional over the summer are expected to have access to their Chromebook.

Monitor Student Use

The parent/guardian must agree to monitor student use at home and away from school. The best way to keep students safe and on-task is to have a parent/guardian present and involved.

Suggestions:

- Investigate parental controls available through your internet/phone service provider and/your wireless router.

AUP AGREEMENT STUDENTS (form continued)

- Develop a set of rules/expectations for device use at home. Some websites provide parent/child agreements for you to sign.
- Only allow device use in common rooms of the home (e.g. living room or kitchen) and not in bedrooms.
- Demonstrate a genuine interest in what your student is doing on the device. Ask questions and request that they show you his or her work often.

New Jersey's Anti-Big Brother Act

The electronic device provided by Shore Regional High School may record or collect information on a student's activity or a student's use of the device. Shore Regional High School District will not use any of these electronic capabilities in a manner that would violate the privacy rights of the student or any individual residing with the student.
