Jonathan Warner – Director of Student Services

September 22, 2021

Dear Students and Parents/Guardians,

On Wednesday, October 13, 2021, Shore Regional will administer the PSAT to all sophomores and juniors. Shore Regional High School will register and pay for each student to take the test.

All sophomores and juniors are expected to report to school at their regularly scheduled times. The College Board does not offer a make-up date or an online testing option. You must be present and on-time to take the exam. Please bring two #2 pencils and a calculator on the day of the test.

The PSAT is designed to provide students with the experience of taking the SAT. The PSAT is important for any sophomore or junior who has plans of taking the SAT for attending college. The PSAT provides valuable insight into the format and question types that students will experience on the SAT. Therefore, the PSAT is good practice and provides feedback to the students regarding admission testing for college.

Should you have any questions or concerns, please contact the guidance office at (732) 222-9300 x2150 or cnovellino@shoreregional.org.

Sincerely,

Jonathan Warner

Jonathan Warner
Director of Student Services

Working in collaboration with all stakeholders, we pursue a shared vision of a high quality regional high school that puts *students first*.

Our mission of the Shore Regional High School District is to produce altruistic graduates who are lifelong learners, equipped with unlimited capacity to compete in a superior manner.

“Students First”
