The Guidance Department at Shore Regional High School is pleased to announce that we are introducing a new system call Scoir to help students navigate the college selection and application process starting with the Class of 2021.

Students in the Class of 2021 have received an email to register an account with Scoir. We will continue the rollout with the Class of 2022 and 2023 soon. Please check our website for updates and more information as we move forward with this exciting initiative!

Working in collaboration with all stakeholders, we pursue a shared vision of a high quality regional high school that puts *students first*.

Our mission of the Shore Regional High School District is to produce altruistic graduates who are lifelong learners, equipped with unlimited capacity to compete in a superior manner.

“Students First”
