

# Superintendent Entry Plan Shore Regional High School District *The Bridge to Future Innovation and Success*

**Dr. Lisa J. English**

Superintendent-Shore Regional School District

# Shore Regional High School District

Dr. Lisa J. English-Superintendent

# Message from Dr. Lisa J. English Superintendent

The Shore Regional High School District Board of Education has entrusted me with the responsibility to guide the district, to model exemplar leadership characteristics, and to steer the next generation of learners towards great academic achievement and a successful transition from school to career. Please take a moment to view my [Community Welcome Letter](#).

As a veteran educator, I am truly humbled to have this wonderful opportunity to return to the prestigious West Long Branch school community where I began my career many years ago as a Health and Physical Education teacher, coach, and instructional leader.

As we begin this new journey as collaborative partners, I welcome you to view the [Introduction to the Candidacy of Dr. Lisa J. English](#) to see first hand my mission and vision for success and to share with you my passion, energy, and commitment to lifelong learning and futuristic innovation. As your administrative leader, I vow to dedicate a strong focus on effective organizational change, while meeting the social, emotional, and intellectual needs of all learners and their families.

# Entry Plan Highlights

Orientation and Communication

Attending Events in the Learning Community

Safety and Security

Professional Development

District Compliance and School Law

Personnel and Human Resources

Budget and Finance

# Orientation and Communication

- SRHSD Community Meet and Greet and Superintendent's Corner Sessions
- Community Survey -Develop district and school goals and initiatives
- Welcome Letter - Shore Regional School District Community
- Social Media and "Monday Morning Message Center" (Video)

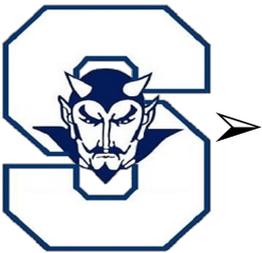

# Attending Events in the Learning Community

- District and school team meetings-classroom visits
- Extra curricular and athletic events
- Collaboration meetings to review transition plans for 8th grade students entering the Shore Regional High School District
- Develop sending district share group for school superintendents

# Safety and Security

- Focus on building and campus school safety best practices and district protocols
- Support current and new partnerships with local, state, and national school safety professional organizations
- Continue to create learning opportunities for faculty, staff, students and families to model the most current safety practices and protocols
- Introduce new social emotional learning programs for faculty, staff, students, and families

# Professional Development

- Design new face to face, online, and hybrid professional learning opportunities for all SRHSD administrators, faculty, and staff
- Introduce new IB professional development platform for certificated staff members.-Secure grant funding opportunities to provide financial support for staff to attend state and national professional learning opportunities with IB partner districts
- Create learning opportunities for administrators, faculty, staff and student liaisons to facilitate resources and support within the new Shore Regional Career Innovation Center

# Curriculum & Assessment

- Introduce foundation and entry plans for programmatic expansion for career and technical education programs- Include exploration of federal grant funding resources to finance expansion projects
- Review assessment data from local, state, and high education aligned assessments to drive instruction aligned to multiple learning levels

Create new IB support groups for students, families, and certificated staff

# Curriculum & Assessment

- Examine AP course offerings to align current options to new program delivery supports and student success resources
- Examine statewide assessment testing schedule and performance report data. Utilize principles of data based decision making to create differentiated instruction lessons and strategies to cultivate student growth and achievement

# International Baccalaureate Diploma

- Develop IB Student Liaison Program
- Establish IB Parent Support Group and Information Sessions
- Introduce ongoing professional development offerings for SRHSD IB certificated staff

# Extra Curricular– Athletics and Clubs

- Create new opportunities for student athletes to blend athletics, academics, and citizenship
- Establish student/advisor club proposal process
- Connect industry and community partnerships to SRHSD extra-curricular athletics and clubs for collaborative support and expansion of resources

# Shore Regional Career Innovation Center

- Develop Career Innovation Lab for SRHSD Students- After school support and weekend learning lab hours
- Focus on offering Career Exploration and Transformational Skills Training Hub
- Introduce CareerSafe Stackable Credentials and Industry Valued Credentials (OSHA 10, Employability, Career Content Specific Credentials)

# District Compliance and School Law

- Revise and update district website for an enhanced view of school law and policy aligned to local, state, and federal compliance
- Introduce **SRHSD Superintendent Coffee House Sessions**- Provide information sessions which include policy and school law updates for current school initiatives pertaining to health and safety, school security, and community resources to support students and their families

# Central Office Operations–Personnel and Human Resources

- Review hiring and intake process for new SRHSD employees
- Develop a refreshed marketing and branding program to advertise staffing needs
- Create components of the refreshed marketing and branding program to highlight SRHSD **Points of Pride Program**

# Budget and Finance

- Explore and apply for new grant funding opportunities at the local, state, and federal level
- Initiate letter of intent to explore Perkins V funding opportunities and program approval to finance Career and Technical Education offerings
- Introduce Screencastify update series for communication to the community regarding budget and finance updates when applicable
