

Vocational School Inclement Weather and Calendar Conflict

Transportation Information

Vocational Academies

Transportation arrangements for **ACADEMY** (Full Time) Vocational students during conflicting start times (for various reasons) will be as follows:

Scenario # 1: If Shore Regional High School is operating at regular time and Vocational schools are on a delayed opening:

- Students will go to bus stop for pick up to SRHS via 2nd morning bus run beginning at 7:30am. A vocational bus will leave SRHS @ 8:05am going to Voc.

Scenario # 2: IF Shore Regional H.S. is closed and Vocational School is open:

- If Shore Regional Calendar has a closing, but the Academies are open, students must arrange their own transportation to Shore to board the buses to the Academies. They will leave promptly at 7:00am.
- If the superintendent determines the weather conditions too dangerous, and SRHS is closed, NO transportation will be provided to ANY vocational schools.

Scenario # 3: If Shore Regional H.S. has 2hour delayed opening and Vocational School has a 90min delay:

- **The buses will run on Shore Regional H.S. (delayed) schedule which means students will come to Shore via their regular AM transportation and then a Vocational bus will leave Shore HS at 9:00 am going to Voc.**

Shared Time Vocational Transportation Information

Transportation arrangements for **SHARED-TIME** Vocational students during weather related events, will be as follows:

- If Shore Regional H.S. has a two hour delayed opening, **morning vocational students will not** attend Vocational school however, **PM Vocational students will** be transported as regularly scheduled.
- If Shore Regional H.S. has early dismissal, **afternoon vocational students will not** attend Vocational school however, **AM Vocational students will** be transported as regularly scheduled.
