

BLUE DEVILS BOOSTER ASSOCIATION

August 1, 2016

Dear Parents/Guardians,

The Blue Devils Booster Association needs your assistance in supporting ALL Shore Regional Athletic programs. Booster membership fees and refreshment sales from our home athletic events fund all of the activities that the Blue Devil Boosters support. The Blue Devils Booster Association has long been an organization that promotes and supports Shore Regional Athletes. The association provides support for all male and female athletic programs by awarding scholarships, presenting every senior athlete with a blanket, purchasing championship banners, and other initiatives. In 2016, the association gave out over \$1,000.00 in scholarships this year alone to four student-athletes that represented more than 8 different athletic programs at Shore Regional. We look to improve our fund raising efforts through the Booster Association to provide more scholarships to our well deserving student-athletes. We are looking for 100% participation so please join today! Our first meeting will be posted on the school website when it is confirmed and we welcome anyone interested in attending.

Please complete the membership section below and return by Sept.23, 2016 with your check made payable to:

“Blue Devils Booster Association”
Shore Regional High School
132 Monmouth Park Highway
West Long Branch, N.J. 07764
