Student Photograph & Video Non-Consent Form

Throughout the year, photographic and video images of Shore Regional High School students are routinely created for the purpose of sharing student achievement in the classroom and on the athletic field and celebrating educational programs with the entire community. Such images are often submitted to area newspapers, used in school publications, and posted on the district/school website.

The purpose of this document is to give you, the parent/guardian, the opportunity to withhold consent to share, print, or publish any images of your child(ren). Once submitted, should you wish to assent to, rescind, or amend this form at any time, please contact the Assistant Principal's office via the contact information above.

I/We **DO NOT GRANT** permission for my/our child's photo/image to be shared with media outlets.
